Afterschool Care

Lookout Mountain's community works collaboratively to provide a safe and nurturing environment whereby students can grow into educated, productive, and honorable citizens of the 21st Century. LMS values strong community partnerships, academic excellence, and high-quality learning opportunities for every student.

Lookout Mountain has transformed its space to offer students a balanced education through innovative learning spaces including the Art studio, Science Lab, K-2 Literacy Lab, Multi-Media Center, state-of-the art Kindergarten classrooms and daily physical education classes for all students.
